

# DBS BANK LTD

Generated: 20/05/2026, 11:20:21 am

Report style: Concise analyst

## Source-use warnings

ACRA source-use review required: ACRA-derived company evidence is included for source-attributed CDD analyst review. Do not widen hosted paid redistribution or commercial enrichment workflows until ACRA source-use rights are documented. Triggered by: ACRA

Supplemental evidence is analyst-review only: web presence outputs are supplemental analyst-review signals. They are not official registry facts, sanctions clearance, adverse-media clearance, or ownership/control determinations. Triggered by: web presence

## Action plan

sg\_acra\_entities: Re-run direct ACRA identity lookup when validating against live public data.; suggested input: UEN: 03591300B

## Source attribution

ACRA public search fixture: Official registry evidence; sg\_business\_dossier; Entity identity fixture for browser smoke coverage.; records: 1; source: <https://data.gov.sg/> (No auth)

GeBIZ public tender fixture: Official registry evidence; sg\_business\_dossier; Procurement gap fixture.; records: 0; source: <https://www.gebiz.gov.sg/> (No auth)

## Freshness

ACRA public search fixture: Checked by Dude: 15 May 2026, 8:00 am; Source record date: 14 May 2026

## Limits

PUBLIC\_DATA\_ONLY: The browser smoke fixture covers public registry surfaces only; it does not assert directors, shareholders, or beneficial ownership.

## Compliance Use Notice

Compliance use: Dude maps public-data evidence to operational review questions only. It is not legal, tax, credit, investment, financial, or licensed compliance advice.

PDPA and rules packs: PDPA and rules-pack references are checklist prompts for a qualified reviewer; they are not a legal opinion on whether an organisation complies with PDPA or any other law.

Public-data limits: Missing public-data evidence is a gap, not proof that a counterparty is clean, approved, conflict-free, sanctioned-free, or risk-free.
